

THE LOWELL SCHOOL PARENTS ASSOCIATION VOLUNTEER FORM

2010-11

Dear Parent:

The Parents Association is comprised of every parent/guardian with a child attending The Lowell School. The purpose of the Parents Association (PA) is to create a community interest in Lowell; to help further the mission and ideals of our school, and to serve as a networking opportunity for parents to share views and opinions with the school's leadership. Our success relies on our partnership with parents. We organize a variety of school activities and events throughout the year, which support our longtime commitment to academic excellence. We invite all parents to participate in one or more of the many programs. Below is a description of some of the school activities and special events where we need active volunteers. We look forward to working with you as a partner in your child's education. Each day brings countless learning opportunities for your child. We urge you to become involved in any way you can.
