

The Lowell School

Dede Proujansky
Executive Director

July 2024

Dear Parent,

The State Education Department requires that students who take medication must have a “Parent and Prescriber’s Authorization for Administration of Medication in School”.

Please fill out and sign Part “A” and then have your child’s doctor fill out and sign Part “B”. We MUST have this form on file for each student who takes medication.

Thank you for your prompt attention.

Sincerely,

IPsilakis

Irene Psilakis
Principal
